# Common Rules To Achieve 6A

## Main Rules

Distributors must accumulate group sales of 100 units (within 8 points, excluding cancellation) and 1 unit direct sale by end of the qualifying month. Ukon DD and E8PA card cannot make the first 6A line.

## July 2015 ~

Total of accumulative 5 units TOKUREI sales are allowed during 6A qualifying month. Any additional TOKUREI units will NOT be counted. You may check your genealogy report DSP portal for the exact sales units.

## March 2016 ~

UKON DD sale(s)/ renewal(s) counts as 1 unit for the total sales volume, **however**, only during the 6A qualifying month, it will count as 1/3 sale.

## June 2018 ~

Total sales value must exceed USD 300,000 (*cancellations and Tokurei do not count*). You may check your genealogy report DSP portal for the exact sales units.

## Feb. 2024 ~

To receive the full amount of your 6A Title Incentive, you must have a minimum of seven (7) direct sales. This includes two (2) direct 1A lines, four (4) direct lines within the 2A ~ 5A lines, and one (1) last direct sale as a 6A line when ranking up to 6A. This policy will also apply to your 6A Step Up Bonus as well
