FA0 (Free Agent) is a system which will allow distributors who have not made a "Direct Sale" in more than 2 years to reactivate their business mainly **under a different 6A2-3 group (6A2 as of now for UAE)** by purchasing a Machine or Ukon Sigma. No existing "Tokurei" account is allowed to FA transfer. No name changes are allowed after FA transfer. In case of exercising FA0 transfer, any machine(s) or Ukon account(s) under your main account will be invalid and cannot be reversed after FA transfer has been completed. **Distributors can NOT proceed with FA transfer twice.**

- **It will NOT affect the up-line distributors for their rank up advancements or qualifications for any incentives/awards.**

FA0 Terms & Conditions

FA0 distributors are those distributors without direct sales for over two (2) years and earning zero commissions.

Main purpose of the FA0 Program, *FA (Free Agent) = You*, is to approach and encourage those distributors who have NOT been active in their sales activities for over 2 years and to give them a chance to become active again so that they can contribute in achieving the company global total sales on monthly basis.

What is the FA0 Program?

1. It is a system which will allow distributors who have NOT made a "Direct Sale" for over two (2) years to re-activate their business activities under a different group by purchasing a "Machine" or "Ukon Sigma".
2. **FA transferring within your own group, and/or under same 6A Group is NOT allowed.**
3. Upon moving to a different group (*under new 6A2 leader*), you may keep your previous rank with the number of sales you currently have to start your business, however you cannot bring people in your previous group with you.
4. We will assign you a NEW ID#
Once you have moved to a new group, you will lose the previous distributorship (ID#)
(*You will NOT be able to re-activate your previous account/ID# ever again*)
5. TOKUREI (Good Samaritan) cannot be transferred unless they CANCEL their TOKUREI (Good Samaritan) status, which means paying off their account.
6. After transferred, you can "Rank-Up" and will be eligible for "6A Title Incentive" (*) only if you meet following requirements. (**) See Below Additional Information for details.*
However, it will NOT affect the Up-line distributors for their Rank Up or Qualification for any incentives.
7. "Name Change" is NOT allowed after FA transferred.

*** Additional Information**

You = FA (Free Agent)

Rank Up Requirement after FA transferred

- A. Even if your rank was above 6A before being FA, you need to be qualified to become 6A again.
You need to have at least 30 sales in 6 months (within 8 points) after you transferred to be qualified for 6A again.
(This may qualify you to become 6A but it does NOT qualify you for a "6A Title Incentive" unless you create two (2) 6As in two separate legs, then you will become 6A2 and will be eligible to receive "Title Incentive" upon meeting the requirements.
- B. If you were below 5A or transferred with under 70 units, you will be eligible to become 6A and to receive 6A Title Incentive under the current requirements.
- C. If you were over 70 units, you still need to have at least 30 sales in 6 months (within 8 points) to be qualified as a 6A and for "6A Title Incentive".

For all the above conditions, it will NOT affect the "Rank UP" for the Uplines.
